## Crown and Bridge

### Limited Seven Year Warranty

**DENTSPLY Ceramco warrants against the breakage of the following Cercon Zirconia copings and frameworks:**

- *Single Cercon crowns*
- *Cercon bridges up to 47mm in length with a maximum of 2 adjacent floating pontics*
- *3 unit inlay bridges*
- *Double abutted cantilever bridges*

**Note:** Bridges must contain no more than two adjacent floating pontics, and connectors must be designed in accordance to the minimum thickness parameters, or larger, as described in the design software or directions for use.

**Limited Warranty:** DENTSPLY Ceramco warrants against the breakage of Cercon copings or frameworks produced by authorized Cercon laboratories for 7 years from the date of the placement of the restoration in the patient. If breakage occurs within 7 years from the date of the restoration placement, DENTSPLY will replace at no charge the required Cercon material necessary to replace the restoration coping or framework, or will replace the actual coping or framework if the restoration design file can be provided electronically from having been designed in the Cercon Art CAD module. The original restoration must have been produced in compliance with approved DENTSPLY Ceramco indications and manufactured utilizing approved DENTSPLY Ceramco materials purchased from DENTSPLY Ceramco and manufactured within Cercon's recommended guidelines. A copy of the original invoice for the restoration must be provided to determine the placement date. The warranted restoration must be sent to DENTSPLY Ceramco for validation of replacement coverage. The warranty does not cover breakage caused by patient negligence or resulting from an accident or other intervening or superseding cause. In no event will DENTSPLY Ceramco be responsible for punitive, consequential, exemplary, or special damages. DENTSPLY Ceramco's liability for damages shall be limited to the purchase price of the warranted coping or framework material. The limited warranty covers any qualifying restoration placed after 9/17/07.
